Privacy Policy

We respect your privacy and are committed to protecting your personal information.

For travel arrangements in Ladakh, we may collect limited personal details such as your name, phone number, email address, and identification documents (for example Aadhaar card or passport) only when required to arrange travel services or obtain permits like the Inner Line Permit.

Your information is used solely for:

- Processing travel bookings
- Arranging accommodation or transport
- Obtaining necessary travel permits

All personal information provided by you is kept confidential and used only for travel-related purposes.

If you have any questions about our privacy policy, please contact us.
